Uniquely designed villa focused on capturing maximum light yet maintaining privacy. Each floor is split into two different levels, joined by both staircase and lift. The exterior displays two Japanese style patios, exterior barbecue and overflow swimming pool. Some of the finishes include natural stone stairs, master bedroom with Spa and steam room bath, living room with fireplace with double ceiling height, interior garden, home cinema, gym, wine cellar, air conditioning, alarm with video entry phone system, and garage for 5 cars, electric garage door with remote control, and double automatic gates.
